

Texas Association of Future Educators

Sponsors' Workshop

Friday and Saturday, September 17-18, 2010

Doubletree Guest Suites 303 W. 15th St., Austin TX 78701

This two-day workshop, held each year, is the very best opportunity for new and veteran sponsors to get together, share ideas, get re-energized, and learn about the resources available to them as members of T.A.F.E. New sponsors will get foundational information, exciting tips, and shortcuts on managing their sponsorship in ways that will make life easier and more productive. All participants will gain a broader understanding of their important role as sponsor and earn required CPE hours in the process. We will have information about TAFE becoming a CTSO (Career and Technical Student Organization) and how your Chapter will benefit from this designation.
