POWER . . . Clout at the local, state and national levels!

- ★ The Texas State Teachers Association is the only state organization powerful and experienced enough to fight those who are trying to tear down education. From the local level to the Capitol, we represent you and ensure your salaries and benefits will remain in place.
- ★ We're fighting to stop the education cuts — and we'll never quit!

PROFESSIONALISM . . . Assistance with your job!

- ★ You chose an education career because you care about kids. As a TSTA-Aspiring Educator member, you belong to the largest democratically run, member controlled, professional organization in the world. One in every 100 Americans is a member!
- ★ Members can receive the TSTA Briefing every week by email in addition to TSTA's Advocate and NEA Today.
- ★ Members have access to resources and workshops to help you do your job well.
- ★ Get connected to the powerful TSTA/NEA network!

ADVOCACY . . . Standing up for your rights and your job!

- ★ TSTA/NEA provides the strongest advocacy program and employment defense system in the nation.
- ★ Our unlimited legal defense fund covers you for employment issues with your employer. When we take a case, the cost of an attorney will never be an issue. TSTA spends over a million dollars every year defending members.
- ★ We have in-house legal experts in education employment law and a network of attorneys across the state.
- ★ We offer toll free access to our Help Center experts for assistance with legal and professional needs from 8 a.m.—7 p.m. (CST).

Don't just join an organization, get involved in a movement!

Together, we can change the way public schools and public school employees are treated. Join TSTA-Aspiring Educators/NEA-Aspiring Educators today!
