OVERVIEW:

This contest is a team event where members work together to create a historical record of their chapter's projects and activities throughout the year. The yearbook events that can be included are the chapter's participation in the previous year's Teach Tomorrow Summit and all the events up to the current year's Teach Tomorrow Summit. Participants must prepare a **Chapter Yearbook** and an **oral presentation** describing the activities of the chapter and summarizing the projects.

The Chapter Yearbook must be bound and have a labeled placeholder for every missing artifact and a date as to when it will be added. The Chapter Yearbook must be at least 75% complete to qualify for state.
