Contest Purpose

It's time for you to give your TED Talk. Not sure what that is? Check out some of the most viewed TED Talks here: www.ted.com.

Storytelling and effective oral communication skills are vital qualities for professional success. Captivating an audience and sustaining their attention and wonder with a compelling topic remains one of the most valuable abilities in an increasingly networked society. Because great stories about meaningful topics are so fascinating and valuable, TED Talks have become one of the most influential contributions to the Internet, garnering over a billion views. These creative lectures present bold ideas often through personal lenses and have elevated a public speaking format that has been replicated across the world. Watch some TED Talks on education here: www.ted.com/topics/education.

The Creative Lecture Competition will offer ambitious, fearless, bold-thinking students a platform for sharing their ideas in a format that has been embraced by intellectual society.

The topic for the 2024 Creative Lecture Competition is TEACHER SALARIES.

PROMPT: It's common for teachers to say they're not in education for the paycheck. While money may not be the main motivator for teachers, they should be paid adequately for the service they provide to society. However, teacher salaries lag behind those of other professions. A 2022 report by the U.S. Census Bureau, for example, stated, "Although teachers are among the nation's most educated workers, they earn far less on average than most other highly educated workers and their earnings have declined since 2010."

In the aftermath of the pandemic, the teacher shortage in many areas put a spotlight on the issue of teacher salaries. Results of the 2023 PDK Poll on Public Attitudes Toward Public Education revealed that 67% of Americans support increasing teacher salaries in their community by raising local property taxes. Support for raising teacher pay is higher among those who perceive a shortage of teachers in their community as problematic. Among those who see this as either a crisis or a serious problem, 83% support raising teacher salaries through higher property taxes.

How can increasing teacher salaries help attract new teachers and retain current ones? Can increasing salaries draw talented candidates who might not have considered the teaching profession before?

Competition Guidelines

- A. The speech must be about the assigned topic.
- B. The presenter may use a slide deck (ex. PowerPoint or Prezi presentation) but may not use sound or any other props or materials, including notes. The slide deck is purely optional; highly effective TED Talks have been delivered with or without accompanying slides.
- C. The speech should incorporate the research or ideas of others but should ultimately reflect the presenter's original conclusions based on his/her synthesis of ideas and personal experience. Speech should be original, creative, and capture the audience's attention.
- D. Each presentation is to be a minimum of four minutes and a maximum of 10 minutes. Contestants will respond to judges' follow up questions. The entire presentation and question session will last a total of no more than 15 minutes.
- E. One judge will also serve as timekeeper. Speakers will receive a visual, non-verbal indication that there is one-minute remaining when they reach the nine-minute mark of their speeches. Speakers will be stopped at ten minutes.

1. The judges' decisions are final.
2. Scoring is based on the Creative Lecture Competition rubric.
