You get to account for your students' unique needs while engaging them in a fun activity and achieving learning objectives.

Teacher Created Materials encompass all the materials and physical means a teacher might use to implement a lesson and facilitate the student's achievement of the objectives. This may include materials such as flip charts, board games, folder games, puppets, lap books, etc. This contest allows you to showcase how you would meet this challenge by creating your own materials for a lesson of your choosing and presenting it to judges.
