Failure to follow the stated guidelines will result in disqualification of student competing.

All students wishing to compete at the Educators Rising National Conference must complete 3 required steps:

1. **Be an Active level paid national member** of Educators Rising for the current school year. State-level membership must be paid, if applicable. [Click here to join.](#)
2. **Complete the online application** and upload all required materials in their final form by the stated deadline on the [National Competition page](#) located in the Student Resources section in the EdRising Membership Portal. **This is NOT done automatically if you competed at a state or regional conference.**
3. [Register to attend](#) the Educators Rising National Conference.

Eligibility

- Students must be a paid Active-level student member of Educators Rising no later than **February 1st** of the year in which they are competing. **Check or credit card payment must be received in the National Office by February 15th to be considered an Active-level member.**
- **Students may only compete in one competitive event.**
- **For contests:** Teacher leaders may enter up to two entries (individual or dual) per school in each event per division.
 - Dual means two students participating.
 - For dual entries consisting of students of varying grade levels, the entry will be placed in the division for the grade level of the most senior member.
- **For competitions:** Teacher leaders may enter up to two entries per school in each individual event per division and one team for team events per division. Competitions/contests that are marked as individual or dual will be considered individual events for this purpose.
 - All team events must have at least two students (and no more than four) per school to qualify.
 - For teams consisting of students of varying grade levels, the team will be placed in the division for the grade level of the most senior member.
- If a competitor is from a state that holds state competitions/contests, they must first qualify in that given event at their state conference before competing in that event at the Educators Rising National Conference. Contact your state/regional coordinator to see if your state offers competitive events. Visit our [state program page](#) on the Educators Rising national website to contact your state/regional coordinator.
- For states that offer state-level competitive events, the top ten places in each competition for each division offered by the state will be eligible to compete at the Educators Rising National Conference.
- For contests, you must compete in a state level event in order to be eligible to compete at the Educators Rising National Conference. Only entries scoring 97-100 will be eligible to advance to nationals. No other entrants from states that offer the competitive events at the state level will be eligible for those state-level-offered competitive events.
- For nationals, schools are permitted to replace up to fifty percent of the original team members who qualified at the state- level.
- For states that do not offer state-level competitive events, students may register to compete in those events at the Educators Rising National Conference. This applies to all Educators Rising national competitions. This does not apply to contests since you must qualify at state first before moving to nationals in any competition.

nonverbal assistance to a competitor during that competitor's assigned time slot with the judges. A breach of this guideline may result in the disqualification of the competitor.

- Teacher Leaders, Chaperones, and Parents are prohibited from approaching judges to discuss scoring or feedback. All questions or concerns should be brought to the attention of a national office staff member.

Judging and Scoring

- All competitions will be recorded to allow for review when determining placement.
- Scoring is based on the posted individual competition rubric.
- Final scores will be based on a scaled score. Scaled scores are calculated through a number of methods including judges tie breakers and room normalizations.
- **Judges will break ties in all competitive events.**
- To accommodate a large number of competitors, we use multiple rooms each with its own set of judges. To ensure fairness across these rooms, we employ a well-established mathematical method to normalize scores. This method helps balance judge subjectivity and ensures all competitors have a fair shot, regardless of their assigned room.
 - In each competitive event, each competitor gets an average score from the judges. That score is averaged with the partner judge. If there is a deviation of more than one standard deviation between rooms, the two rooms are normed against one another to that deviation. Final scores used for ranking are the normalized (also known as scaled scores).
 - When normalizing scoring, perfect scores will be excluded from the normalization process. If more than one student in the same division in the same competition receives a perfect score, a second set of judges will review the recorded presentations for those students to make a final decision.

Awards

- For Competitions: Medals and certificates will be presented to the top three entries in each division for individual competitions. Trophies and certificates will be presented to the top three entries in each division for team competitions. All places will receive electronic certificates after the conference.

- For Contests: Ribbons will be awarded to students in each category in each division with scores as follows:
 - Blue-Scores 98-100
 - Red-Scores 94-97
 - White-Scores 90-93

Inquiry Process

- Following the conference, the student scores will be released directly to the participating student(s). The scores will provide individual judges' scores, the average score for the two judges, and the normalized score (if necessary.)
- Students will have 3 business days to file an inquiry regarding the validity of their score. Students will be required to complete the online inquiry request form and submit all required documentation for consideration. **No appeal will be accepted after the 3-day period.**
- Staff will review the scoring and respond to the inquiry within 30 days. **All decisions are final.**

CHILDREN'S LITERATURE PRE-K COMPETITION

COMPETITION TYPE: Individual (one author/illustrator) or Dual (two co-authors or one author/one illustrator) — Closed to spectators

ELIGIBILITY LEVELS: Middle School, High School Junior Varsity, High School Varsity

EDUCATORS RISING STANDARDS:

- Standard II: Learning About Students
- Standard IV: Engaging in Responsive Planning
- Standard VII: Engaging in Reflective Practice

"Children have never been very good at listening to their elders, but they never fail to imitate them." -- James Baldwin

Contest Purpose

Educators Rising students: this is your opportunity to summon your storytelling powers and create original children's literature. Great literature can be entertaining, educational, inspiring, or illuminating, and while it may be fictional, it speaks to inner truths. Children's book authors — like educators — help young people to understand these inner truths and to make sense of the world. This competition offers Educators Rising students the opportunity to try out that identity as an author and an educator.

General Information

The book may be written and illustrated by one individual (the author/illustrator) or two individuals (an author and an illustrator). The one or two Educators Rising student members participating in this competition must write all words and create all images themselves for their submission. No artist assistance or use of images from the web or any other third party is permissible. The participant will prepare the original short storybook format designed for a pre-kindergarten audience (ages 3-4).

Competition Guidelines

BOOK GUIDELINES

- A. Write a short story in a “book” format in English. The story can be about anything but should reinforce either academic or social/emotional values appropriate for public school.
- B. A signed “Statement of Originality” must be completed and submitted with the book.
- C. This book should be written for a pre-kindergarten audience (ages 3-4). Word count should be between 250-1,000 (The current sweet spot is 500 words or less).
- D. The book includes a front and back cover, a title/credit page, and no more than 24 pages. (24 pages front only or 12 pages front/back excluding title/credit page).
- E. The title page should include the title of the story, appropriate age audience, author, illustrator (if different from the author), teacher leader’s name, school, contact information: email and high school address.
- F. Maximum book size is 14” X 22” and should be bound using a durable user-friendly method of binding. (Commercially produced bound books are allowed for binding purposes only. Use of stock images or templates is prohibited.)
- G. Text or graphics may be either illustrated by hand or computer generated, but the student participants are responsible for composing or creating all text and graphics themselves. No artist assistance or use of images from the web or any other third party is permissible. Illustrations should be colorful, and art should amplify the impact of the reader’s experience with the story. Neatness counts.
- H. A pdf copy of the book and statement of originality will be required to be uploaded during the application process.

PRESENTATION GUIDELINES

- A. The author and illustrator will bring a copy of their book and Statement of Originality to the competition to present and read to the judges.
- B. Acceptable presentation length, including the story introduction will be between five and 10 minutes. Presenters exceeding 10 minutes or under five minutes will be deducted one point for going over 10 minutes or under five minutes and one additional point for every additional 30 seconds over or under the time limit.
- C. The author and illustrator will introduce and read the book to the judges. Presentation may be done by either the author or illustrator if only one can attend the conference. It is not required that both be present.
- D. A timekeeper will hold up timecards as a warning at four minutes and again at nine minutes. The presentation will be stopped at 12 minutes.
- E. After the presentation, judges will have time to ask questions and finish scoring sheets. Judges will review the book and score. Once judges have completed scoring, they will return the book to the participant.
- F. Presenters should wear conference-appropriate clothing or dress in character costumes relevant to the book. No additional props can be used during the presentation.

Vocal Delivery	Clarity of voice, pacing, and modulation of tone are expertly crafted to deliver to the listener maximum impact, given the content of the story.	Clarity of voice, pacing, and modulation of tone are strong. The listener is able to understand what the reader is conveying.	Clarity of voice, pacing, and modulation of tone are straightforward. The listener is able to understand, but the story's impact would be increased with a more dynamic vocal delivery.	Clarity of voice, pacing, and modulation of tone are inconsistent or needing improvement throughout the reading of the story. At times, the vocal delivery distracts from the content of the story and diminishes its potential impact.

All team members, whether speaking or not, reinforce the intended impact of the presentation at all times.	The competitors' mostly sustained eye contact, positive posture, and pleasant demeanor complement the content of the presentation quite well. One or both of the presenters may distractingly appear to slip in and out of professional character at moments during the session.
