- Teacher Leaders, Chaperones, and Parents are prohibited from approaching judges to discuss scoring or feedback. All questions or concerns should be brought to the attention of a national office staff member.

Judging and Scoring

- Scoring is based on the posted individual competition rubric.

GENERAL COMPETITION INFORMATION CONT.

- Final scores will be based on a scaled score. Scaled scores are calculated through a number of methods including judges tie breakers and room normalizations.
- Judges will break ties in all competitive events.
- To accommodate a large number of competitors, we use multiple rooms each with its own set of judges. To ensure fairness across these rooms, we employ a well-established mathematical method to normalize scores. This method helps balance judge subjectivity and ensures all competitors have a fair shot, regardless of their assigned room.
- In each competitive event, each competitor gets an average score from the judges. That score is averaged with the partner judge. If there is a deviation of more than one standard deviation between rooms, the two rooms are normed against one another to that deviation. Final scores used for ranking are normalized (also known as scaled scores).
- When normalizing scoring, perfect scores will be excluded from the normalization process. If more than one student in the same division in the same competition receives a perfect score, a second set of judges will review the recorded presentations for those students to make a final decision.

Awards

- For Competitions: Medals and certificates will be presented to the top three entries in each division for individual competitions. Trophies and certificates will be presented to the top three entries in each division for team competitions. All places will receive electronic certificates after the conference.
- For Contests: Ribbons will be awarded to students in each category in each division with scores as follows:
 - Blue-Scores 98-100
 - Red-Scores 94-97
 - White-Scores 90-93

Inquiry Process

- Following the conference, the student scores will be released directly to the participating student(s). The scores will provide individual judges' scores, the average score for the two judges, and the normalized score (if necessary.)
- Students will have 3 business days to file an inquiry regarding the validity of their score. Students will be required to complete the online inquiry request form and submit all required documentation for consideration. **No appeal will be accepted after the 3-day period.**
- Staff will review the scoring and respond to the inquiry within 30 days. **All decisions are final.**

Resources to consider when creating your lesson plan

- [Lesson plan template](#)
- [Using Bloom's Taxonomy in Lesson Planning](#) (July 3, 2023, by Niall McNulty)

Competition Guidelines

There are three components to this competition:

- **A written lesson plan:** submitted and scored by judges prior to the national conference, but also brought by the contestants to the onsite competition.

- **A reflection between competitors and on-site judges at the national conference.** This includes a presentation of the team's reflections about the lesson as well as an interactive Q&A exchange.

LESSON PLAN: A written lesson plan

- A. The lesson plan must be submitted online. The entrants should provide names of all competitors, the name of the school community where the lesson was taught, the date the lesson was performed, the title of the lesson, the objective of the lesson, description of practice activities, desired outcomes of the lesson, and a method of assessing whether the outcomes were achieved.
- B. The lesson teaching format and audience are the team's decision.
- C. Competitors must bring a copy of the presentation plan with them to the competition site.

LESSON DELIVERY: A 10-minute-or-less video

- B. A 10-minute video, clearly depicting the entrants delivering the lesson, must be submitted online along with the lesson plan. Do not exceed the 10-minute length. *Only the first 10 minutes of the video will be judged.* (Given that most lessons take longer than 10 minutes, your video may be edited to include a compilation of important parts of your lesson.)

- C. The video is to be submitted in advance and must be uploaded to either YouTube or Vimeo and be linked on the application form. Videos will not be accepted by mail.
- D. Competitors must bring their video to the competition site on a USB drive.

At the Educators Rising National Conference, no less than two and no more than four team members will have 10 minutes with a panel of judges to reflect on the lesson and, optionally, to share participant- and/or teacher-created artifacts from the lesson. The reflection should include what the entrants felt went well, how to improve, and what was learned from the experience that will help them become a better teacher. Note cards or papers containing entrant-generated material to support the reflection are permitted. A slide deck is encouraged only if the use of slides enhances the entrants' communication of their reflection. Slide decks are not required. *The video will not be shown as a part of this session.*
- B. Judges may ask follow-up questions during the 10-minute reflective, interactive session.
