Future Educators is a cooperative effort between students, teacher leaders, and administration. To provide for administrative review and due process at the region level, the TASSP Board of Directors requires that any action at the region level may be appealed by a member of the Region Board of Directors or a member school to a committee composed of the principals of the region officer schools and the State Executive Director. This action may be initiated by mailing a request in writing to the TAFE Executive Director.

The TAFE Board of Directors may develop guidelines for the approval of region constitutions. Each region shall submit its constitution and amendments to the State Program Director for approval as related to established guidelines.

Regions shall:

- C. Have Region Officers terms that run concurrently with those of the State Officers.
