Goals

Campaign rules are established with several goals in mind:

- A. To “equalize” opportunities for running for office among different sized schools and with varying economic potential, etc.
- B. To allow each candidate an opportunity to present its views.
- C. To ensure an organized and safe campaign for all people, facilities and places involved.

Roles and Responsibilities

The primary responsibility of the area officer schools of TAFE is to be ambassadors for the organization and of the teaching profession. Effective area officers are articulate, self-motivated, outgoing, conscientious TAFE students with a passion for TAFE’s mission and vision who will promote the organization as essential to the cultivation of tomorrow’s great educators. Officers must be comfortable with public speaking and connecting with education stakeholders (students, teachers, administrators, policymakers, etc.) both virtually and in person. (See Area Officer and Teacher Leader Duties for specific responsibilities on pages 14-18.)

Each role may contain specific duties unique to it, but all area student officers will:

- Travel several times throughout their term to TAFE events, including but not limited to:
 - Officer Training Workshop – required TAFE pays registration, and food for officer.
 - Fall Area Officer Meeting – required TAFE pays travel and food for officer and teacher leader.
 - Area Conference – chapter pays
 - Capital Leadership Day – optional – chapter pays
 - TAFE Teach Tomorrow Summit – chapter pays
- Help plan the annual TAFE Area Conference
- Participate in regular Zoom meetings with other area student officers
- Serve as student author for TAFE publications (fliers, letters, scripts etc.)
- Perform other duties as assigned as a positive, professional role model

The area student officers of TAFE will accomplish these and other responsibilities with the support of teacher leaders. The term of office shall be one year. Officer term begins after the TAFE Teach Tomorrow Summit following the area conference at which the student is elected and ending at the following TAFE Teach Tomorrow Summit.

How to Apply for Candidacy

What are the requirements to apply?

Schools Must:

- Be a member of TAFE the year preceding their nomination and attend the annual area conference the year preceding their nomination
- Select an Officer Representative Candidate
- All applications and all supporting materials must be submitted online 5 days prior to the Area Conference in which you will be campaigning.

Officer Representative

- Be a member in good standing of the Texas Association of Future Educators
- Have a cumulative GPA of 3.0 or higher on a non-weighted scale
- Be a high school freshman, sophomore or junior at the time of application
- Must be in good disciplinary standing

How does the application process work?

This application is for an area officer school position. This means it is an application to be selected **as a candidate school** for one of the five (5) area officer positions: president school, 1st vice-president school, 2nd vice-president school, secretary school, and historian/parliamentarian school. **Only one application will be accepted per chapter.** The TAFE Credentials Committee will review all applications to determine the slate of candidates eligible to run for area office. If there are more than 5 eligible candidates, the chapters will vote on the candidates in the Political Rally. The top five (5) elected candidates will become the area officers. Immediately following elections, a nominating committee will interview officers and place the candidates in offices based on qualifications identified through interview, speech, and application. If there are only 5 eligible candidates, they will go straight to the nominating committee without going through the voting process.

TAFE Area/State Social Media Code of Conduct

TAFE Area/State officers are representatives of TAFE and must use social media responsibly and abide by this Social Media Code of Conduct in both their role as an officer and in their personal use. Area/State officers are responsible for monitoring and regulating all content posted to or tagged on their social media accounts. It is recommended that privacy and/ or tagging permission settings be implemented for all personal social media accounts. Students should use all communication, including social media, as a means of positively impacting others and TAFE, spreading awareness of TAFE, and promoting unity among TAFE members.

TAFE Area/State Officers are expected to set an example for other members and should create and maintain a social media image that is positive, ethical, professional, and kind. Social media should never be used to air your grievances. Be aware that if you post your attendance or participation in an activity that you are endorsing that activity or product.

“Social media” refers to all websites and applications that enable users to create and share content or to participate in social networking, whether it is associated or affiliated with the organization, as well as any other form of electronic communication. These include, but are not limited to Facebook, Instagram, Twitter, Snapchat, YouTube, TikTok, LinkedIn, blogs, vlogs, and other online threads.

Below are the guidelines that we would like for you to be aware of in using both your personal as well as your official TAFE social media sites.

- **Protecting your own privacy**-privacy settings on social media platforms should be set to what you are comfortable with. Be mindful of posting information that you would not want the public to see. What you publish will be around for a long time, so consider the content carefully and also be cautious about disclosing personal details.
- **Be honest**-Do not say anything that is dishonest, untrue, or misleading. If you have a vested interest in something you are discussing, point it out. But also, be smart about protecting yourself and your privacy.
- **Respect your audience, TAFE, and your fellow members**-They reflect a diverse set of customs, values and points of view. Don't say anything contradictory or in conflict with the TAFE website. Don't be afraid to be yourself but do so respectfully.
- **Social Media Tips**- The best way to be interesting, stay out of trouble, and have fun is to write about what you know. Quality matters. Use a spell-checker. If you're not design-oriented, ask someone whether your graphics look decent, take their advice on how to improve it. If in doubt over a post, or if something does not feel right, either let it sit and look at it again before publishing it or ask someone else to look at it first. Remember pictures last forever, think about who, what, and where the picture is being taken.

Area/State Officers will be utilizing the following social media platforms during their term in office. They will be logging into the TAFE organization accounts with provided usernames and passwords created by TAFE:

- | | |
|-------------|-----------|
